0.200mm To 0.800mm Wire Drawing Split Thread Die Adjustable D12 0.8mm

Our Product Introduction

Basic Information

- Place of Origin: China
- Model Number: Split Dies
- Minimum Order Quantity: 1 Piece
- Price: Negotiable
- Packaging Details: Carton, Box
- Delivery Time: 5-10 work days
- Payment Terms: T/T, L/C, Western Union
- Supply Ability: 200 pieces per day

Product Specification

- Wire Drawing Dies: Split Dies
- Material: TC
- Shape: Customized Shape
- Application: Wire Drawing Industry
- Mold Life: 1-2 Years
- Transport: By Air
- Highlight: 0.200mm split thread die,
0.800mm split thread die,
adjustable split die D12

Product Description

Split Dies, Wire Drawing Dies

1. Description:

Made in a wide range of configurations and designs, split dies can dramatically cut your setup time by eliminating the need to restring a stranding or cabling machine when changing sizes. Split dies allow for quick changeovers without cutting the wire, providing ease of use and higher throughput.

2. Application:

Split Dies are commonly used as a replacement for regular bunching, stranding and compacting dies to dramatically cut the setup time of stranding machines. The use of split dies minimizes the necessity to restring a machine.

3. Advantage:

Our Split Dies have well blended profiles and highly polished surfaces enabling superior performance and wire quality.

inches	mm	ADDMA	Maximum Diameter
0.0039-0.0157	0.100-0.400	D6	0.4
