0.200mm To 1.000mm Wire Drawing Die Material Shaving Dies

Our Product Introduction

Basic Information

- Place of Origin: China
- Model Number: Shaving Dies
- Minimum Order Quantity: 1 Piece
- Price: Negotiable
- Packaging Details: Carton, Box
- Delivery Time: 5-10 work days
- Payment Terms: T/T, L/C, Western Union
- Supply Ability: 200 pieces per day

Product Specification

- Wire Drawing Dies: Shaving Dies
- Material: PCD Insert, Tungsten Carbide Insert
- Size: Customized Size
- Casing: Stainless Steel
- Type: Mold Tool
- Transport: By Air
- Highlight: 0.200mm wire drawing die material,
1MM wire drawing die material,
Stainless Steel shaving dies

Product Description

Wire Drawing Dies, Shaving Dies

1. Description:

If defects are found on the wire surface and they may cause damage to the performance of final products, shaving dies are used to remove (shave off) them.

2. Advantages:

These dies have a long lifespan, they enable shorter preparation time and reduce the amount of wasted wire materials.

The lifespan of these dies is 50 to 100 times longer than that of dies made of cemented carbide.

These dies can shave wires to give them superior surface conditions

inches	mm	ADDMA	Maximum Diameter
