### **Product Description**

PDC Cutters for Oil and Gas Drilling Geological exploration Water Well Drilling Mining PDC Cutter

Oil and Gas industry demands high speed, durability and toughness, our PDC cutters/inserts will achieve all in the downhole applications. PDC cutters/inserts provide high impact resistance and abrasion resistance. This ensures to achieve very high Rates of Penetration (ROP) with longer tool life, deeper drilling depth and fewer drill bit changes, all this together will dramatically help to save time/cost and improve the productivity.
